

# CALL FOR PAPERS

## Acoustical Science and Technology

### special issue on

# Speech Communication

*Acoustical Science and Technology*, the English language journal of the Acoustical Society of Japan, welcomes manuscripts for a special issue on speech communication. This special issue commemorates the 5th joint meeting of the ASA and the ASJ, and encourages submissions reflecting the joint meeting's wide coverage of interests in speech science and technology. Potential topics include, but are not limited to:

- automatic speech recognition
- cross-linguistic speech production and perception
- human speech production and perception
- intersection of speech and architecture
- learning and education of speech in second language
- speaker recognition
- speech interfaces
- speech robotics
- speech synthesis
- spoken document processing
- spoken language understanding

Detailed instructions for preparing and formatting your papers are at <http://www.asj.gr.jp/eng/link-ml/01.html> particularly under the link "submission and subscription [pdf]".

Send your papers to the *Acoustical Science and Technology* by e-mail to [LEJ02517@nifty.ne.jp](mailto:LEJ02517@nifty.ne.jp) .

Deadline for submissions (dates are shown in ISO-8601)

- Papers, Technical Reports, and Reviews 2017-04-01
- Acoustical Letters and Short Notes 2017-06-01

*Acoustical Science and Technology* will be published in 2018-03.

Guest Editor-in-Chief Takayuki Arai
